

Amit Oved

Full-Stack Developer

Professional Summary

Full-Stack Developer at Moveo Group and final-year B.Sc. Computer Science student at Tel Aviv-Yafo Academic College. I build end-to-end applications from Linux kernel drivers in C to cloud-deployed React interfaces. Passionate about clean architecture, systems programming, cybersecurity and shipping products that are fast, secure, and built to scale.

Education

Academic Education

The Academic College of Tel Aviv Yaffo – Computer Science / 2023 – 2026

Work Experience

Moveo Group

Full-Stack Developer May 2026 – Present | Tel Aviv, Israel

Developing and maintaining end-to-end features using modern web technologies

Collaborating with design and product teams to deliver high-quality, scalable solutions

Projects

Email Phishing Detector

Built a GUI/Cloud detection engine with a Gmail Add-on interface. Utilizing heuristic algorithms and dynamic configuration for real-time threat analysis.

Full-Stack Crypto Advisor Dashboard

Built a full-stack React web application for cryptocurrency tracking and advisory. Managed version control via GitHub and successfully executed a live deployment.

SportLink – Mobile Application Prototype

Designed a prototype for a sports-centric social application aimed at connecting individuals through shared athletic interests, emphasizing user-centric UI/UX principles. Created interactive mockups and promotional materials demonstrating core user flows.

S-Emulator: Custom Emulator for S-Language Programs

Architected a modular Java-based execution engine for a custom Assembly language. Developed a JavaFX GUI and a React Web Client for real-time execution monitoring.

Multithreaded Blockchain Parser

Built a blockchain data parser and search utility using multithreading on Linux. Designed synchronization algorithms for node communication and process management.

Production-Grade Microservices Architecture

Deployed a Todo List application on Kubernetes. Establishing a secure and scalable production environment.

Military Service

IDF – Israeli Navy

Fitness Instructor / 2018 – 2021

Led fitness training and program for naval cadets and base staff. Conducted group sessions, provided personalized guidance. Implemented endurance programs in challenging military environments.
